EXPERT COMMERCIAL SERVICES TAILORED TO YOUR NEEDS

At **Evolve Construction**, we provide reliable, high-quality commercial construction, remodeling, and restoration services specifically designed for businesses, property managers, and commercial property owners. Our experienced team ensures each project is completed professionally, efficiently, and with minimal disruption to your business operations.

Whether your needs involve roofing, comprehensive remodeling, or urgent restoration, you can count on us to protect and enhance the value of your commercial properties.

LICENSED, CERTIFIED, AND TRUSTED

Can You Really Restore a Roof or Building for Free? Yes – Here's How:

99% Approval Rate: We help 99% of clients secure full replacements through insurance claims.

Previously Denied Claims: Turned down or received partial repairs? We can still secure a full replacement.

Avoid Missed Deadlines: Act quickly to stay covered before important claim deadlines pass.

Zero Out-of-Pocket Cost: Our providers bill directly to insurance or emergency funds (e.g., FEMA). No hidden fees.

Let Evolve Construction handle your claim, so you can focus on your business.

ROOFING SYSTEMS FOR EVERY STRUCTURE

At **Evolve Construction**, we install and service a full range of commercial roofing systems - from traditional materials to cutting-edge solutions.
Let's start choosing the best roof system for your property, climate, and budget.

SHINGLE ROOFING

Durable and cost-effective - ideal for smaller commercial properties and steep-slope roofs.

SLATE ROOFING

High-end natural stone with unmatched longevity and elegance. Superior resistance to weather, fire, and wear.

EPDM ROOFING

Flexible and weather-resistant rubber membrane - ideal for flat or low-slope roofs.

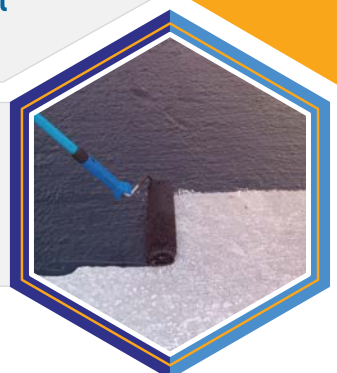

MODIFIED BITUMEN

Reinforced asphalt-based system that offers superior durability and water resistance.

TILE ROOFING

Long-lasting and architecturally distinctive. Excellent resistance to weather and fire.

BUILT FOR PERFORMANCE - AND BUILT TO LAST

Whether you need advanced membrane roofing, industrial-strength coatings, or architecturally bold materials, **Evolve Construction** delivers solutions that meet the demands of your property and industry.

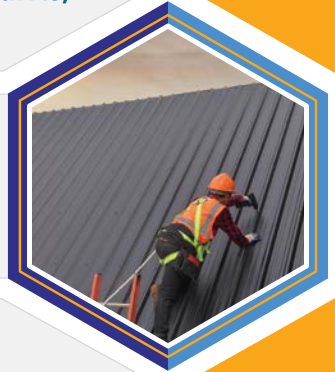

PVC ROOFING

Durable, chemical-resistant membrane ideal for restaurants, manufacturing, and high-exposure buildings.

METAL ROOFING

Long lifespan, excellent wind resistance, and a modern appearance with energy-saving options.

SINGLE PLY ROOFING

Lightweight and reliable - ideal for large-scale flat roofs needing quick installation and low maintenance.

BUILT-UP ROOFING (BUR)

Multiple asphalt layers reinforced with fabric - time-tested for toughness and water resistance.

ROOF COATINGS

Extend roof life with protective coatings that seal, insulate, and waterproof - ideal for restorations or energy upgrades.

COMMERCIAL ROOFING SOLUTIONS YOU CAN TRUST

ESSENTIAL COMPONENTS FOR COMPLETE ROOF PROTECTION

At **Evolve Construction**, we understand that reliable roofing solutions extend beyond shingles and membranes. Our professional gutter, soffit, and fascia services ensure comprehensive protection for your commercial roofing system, safeguarding your property from water intrusion, structural damage, and unnecessary expenses.

COMPREHENSIVE ROOFING SUPPORT SERVICES

GUTTERS

Professionally installed and maintained gutters are critical for protecting your commercial roof and structure from water damage.

- ✔ **Custom Installation**
Tailored gutter systems designed to efficiently channel water away from your roof, preventing leaks and foundational damage.
- ✔ **Prompt Repairs & Regular Maintenance**
Fast, reliable repairs and ongoing maintenance services keep your gutters functioning flawlessly, ensuring full roof protection year-round.

SOFFIT AND FASCIA

Vital roofing components that reinforce your commercial building's integrity and enhance its appearance.

- ✔ **Protective Performance**
Professionally installed soffit and fascia prevent moisture accumulation, pest infiltration, and extend the lifespan of your roofing system.
- ✔ **Improved Ventilation**
High-quality soffit installations improve roof ventilation, reducing moisture buildup and preventing mold issues.
- ✔ **Enhanced Appearance**
Attractive fascia gives your commercial building a polished, finished look, complementing your roofline and adding aesthetic value.
